1. **Do not enter the Nautic Club** (only for members), **keep going straight** to enter the private parking after the roundabout.

2. **Enter the parking taking the ticket at the toll.** Price is 6€/day. Beach access on the left is only for unloading, not possible to park there.

3. **Park your car** next to the end of the parking and **then continue walking** along the Street.

4. **Keep walking until you reach the entrance of the Nautic Club**, where you will find **the stairs**.

5. **Go down the stairs**, then on your right you will see our office, and on your left you will see the boats of Costa Brava Rent Boat, easy to find thanks to our flags.
